

2. Join Max in his night time adventures with the wild things in this brilliant exploration of children's fantasy and imagination. Originally published in 1963, this much-loved picture book has become a classic that no child should grow up without reading.

36. Which team are you on? Team Edward or Team Jacob? Deeply romantic and extraordinarily suspenseful, The Twilight Saga captures the struggle between defying our instincts and satisfying our desires.

4. *Tomorrow, When the War Began* is the first of an enormously popular series that has been translated and published all over the world. It is the book that started the series that became the legend...Read all 7 books in the series.

38. Here is the blue sheep, and here is the red sheep. Here is the bath sheep, and here is the bed sheep. But where is the green sheep? Mem Fox and Judy Horacek's rollicking search for the green sheep is a timeless read-aloud favourite.

18. Who is Skulduggery Pleasant? He's a wise-cracking detective, powerful magician, master of dirty tricks and burglary, (in the name of the greater good, of course). As well as ally, protector, and mentor of Stephanie Edgley, a very unusual and darkly talented twelve-year old. And, oh yeah – he's dead.

44. The Complete Adventures of *Snugglypot and Cuddlepie* combines in one edition, May Gibbs' much loved classics. Quintessentially Australian, these delightful tales will continue to fascinate many generations of children.

23. Come on an amazing adventure to the Enchanted Wood where you can climb the Faraway Tree and meet Moon-Face, Saucepan Man and Silky the fairy. There's always a new land at the top of the Faraway Tree.
