2018

## WHAT IS THE GREAT DEBATE?

---

The Great Debate is an established event from Dymocks Children's Charities which provides a great evening of entertainment, paired with fine food and wine, all in the name of a great cause! Our goal is to raise \$325,000 at the Great Debate – this would equate to \$650,000 of new books to schools and children in need!

The Great Debate is centred around a feisty and hilarious debate between Adam Spencer and Rob Carlton and their pick of interesting celebrity debaters. With top class wine and high-end food from the Four Seasons, this is an event you can't miss!

Come and join us at the hottest night of FUNdraising in Sydney, alongside a 'who's who' of business owners, senior executives, high net worth individuals, publishers and educators – choose from our sensational range of sponsorship options for an even better experience for you and your guests.
